ALCOHOLICS ANONYMOUS is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions.

AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics achieve sobriety.

*"Closed" meetings are only for persons who have a desire to stop drinking. When considering attending "closed" meetings, individuals are asked to apply A.A.'s third tradition: "The only requirement for membership is a desire to stop drinking." A.A. makes no determination as to who qualifies for membership.
